How It Works

1 Share your requirement

We match your profile against our partner banks and NBFCs and shortlist the best-fit options.

3 Documentation support

We tell you exactly which documents are needed and check them before submission.

4 Approval and disbursal

We follow up with the lender through sanction and keep you updated until funds are credited.

Why Apply Through Apex Innovation Solutions

One application, many lenders

Apply once. We take your profile to multiple banks and NBFCs instead of you visiting each one.

Honest, plain-language advice

We explain the real cost - rate, processing fee, prepayment terms - before you commit.

No fee to enquire

Our consultation is free. You decide only after seeing your options side by side.

Support until disbursal

We stay on the file through sanction and disbursal, not just until the application is submitted.

Apex Innovation Solutions is a loan consulting service. We are not a bank, NBFC or licensed lender and we do not sanction or disburse loans. "From 7% p.a." is the lowest starting rate available across our partner lenders as of August 2026, offered on secured products to applicants with the strongest credit profiles. Most applicants are offered a higher rate. Loan amounts, tenures and EMI figures shown are illustrative and are not an offer or a commitment. Final approval, interest rate, fees and terms are decided solely by the partner bank or NBFC, based on your profile and their internal policy.
